

Sydney-based Cosmetic Surgery Fellowship

Formally structured components of all aspects of cosmetic surgery practice. We can offer 6 months and 12 months Fellowships. We require a Plastic Surgery fellow with registered NASQAC qualification and FRACS (Plastics)

ORIENTATION

4-6 weeks introductory "Orientation". In this block, the pay is \$1200 per week (fulltime equivalent). Suggested split of time:

1. Observing in rooms. Sitting in on consultations with a plastic surgeon : 2 day pw
2. Assisting in operating theatre: rotates among current 3 plastic surgeons: 2 day PW
3. Independent consulting of new patients and seeing post-ops: 1 day pw.

FELLOWSHIP

The subsequent time to be paid at \$3,000 pw (fulltime equivalent). Indicative Time split:

1. In rooms observing plastic surgeon: 1 day pw.
2. Independent consulting/ new patients and post-ops : 2 days per week (Senior plastic surgeon to be present in rooms on one of those days.)
3. Independent operating on selected patients: another plastic surgeon on premises. 1 day per week
4. Assisting: 1 day per week

BENEFITS

1. Mentorship of 3 plastic surgeons.
2. Exposure to full gamut of cosmetic surgery
3. Exposure to running a cosmetic surgery practice
4. Attractive salary, not independent and uncertain billing or assist fees.
5. Independent consulting and operating
6. Backup by experienced plastic surgeons for difficult or teaching cases
7. Backup by plastic surgeons for any complications/ difficult patients.
8. Academic component: Journal clubs/ education evenings
