

Fellowship in Aesthetic Plastic Surgery / Autologous Fat Transfer

Fat Transfer Australia together with Avenue Plastic Surgery is offering a Fellowship in Aesthetic Plastic Surgery with a special interest in Autologous Fat Transfer to the breast.

Candidates should have their FRACS in plastic surgery and be eligible for specialist registration in Australia.

Extensive operative experience in aesthetic surgery of the breast is available, including autologous fat transfer, prosthetic augmentation, hybrid procedures, mastopexy and reduction with associated procedures including abdominoplasty and liposuction. There is the prospect of ongoing involvement as a “preferred provider” of Fat Transfer Australia and with Avenue Plastic Surgery.

Applications by email to tracy@windsorprivate.com.au should include a covering letter and your CV.

For further information please call our CEO Tracy Cameron on 03 9521 1777
